

NAPLAN – privacy collection notice

The National Assessment Program – Literacy and Numeracy (NAPLAN) takes place each year for students in Years 3, 5, 7 and 9 and has been an everyday part of the school calendar since 2008.

NAPLAN helps parents, carers and educators to see if children are meeting important numeracy and literacy standards.

Collection of personal information

Schools are required by law to collect personal information about you and your child, irrespective of whether your child participates in NAPLAN testing.

The purpose of this notice is to advise parents and carers of how your child's personal information will be used for NAPLAN testing (both online and paper tests) in 2022 and, as part of NAPLAN Online, readiness activities scheduled at various times leading up to the test in May 2022.

NAPLAN testing

Since its introduction in 2008, NAPLAN testing has been conducted using paper-based tests for students in all year levels. NAPLAN paper tests are administered every year across a 3-day test window in the second full week of May.

In July 2013, Australian education ministers agreed to guiding principles for national online assessment. The move to NAPLAN Online started in 2018. Moving online means NAPLAN is transitioning from paper-based tests to computer-based assessments.

Online testing brings many benefits and opportunities including providing better assessment, more precise results and faster turnaround of information.

Schools in South Australia will conduct NAPLAN testing online in 2022.

More information on NAPLAN Online is available at: www.nap.edu.au/naplan/parent-carer-support/.

Readiness testing activities

A critical step in preparing for NAPLAN Online is schools' participation in readiness testing activities.

The purpose of readiness testing activities is to ensure your child is familiar with their device and the online test environment, as well as to test school and national infrastructure systems and processes.

Readiness testing is not another NAPLAN and will not formally assess students who participate in the test. Any reports generated will be used for testing purposes only. Readiness testing activities may involve students who are participating in NAPLAN in 2022.

Disclosure of personal information

For every student participating in NAPLAN Online testing and readiness activities, personal information will be uploaded by the Department for Education, as the Test Administration Authority (TAA), to the NAPLAN Online Assessment Platform ('assessment platform'). This information is listed over the page.

The information below marked with an asterisk (*) is also provided by the department, as the TAA, to FUJIFILM Data Management Solutions Pty Ltd for the purposes of printing paper test materials and reporting student results. FUJIFILM Data Management Solutions Pty Ltd ("FUJIFILM") is subject to rigorous information privacy and data security obligations under its contract with the Department for Education and is only
