HYDE PARK GIFT VOUCHER.**

The purpose of the Living Young Action Plan, 2023 - 2027 is to state how the City of Unley will support and engage young people over the next four years.

We encourage young people and parents/guardians of children and young people (5 - 25 years) to voice their priorities, passions, experiences, and concerns and will use the information gathered to inform how Council will work and collaborate with young people in the future.

Get involved by completing the survey at yoursay.unley.sa.gov.au/living-young-plan or by scanning the QR Code above.

Alternatively, you can contribute your feedback via email ldebono@unley.sa.gov.au or phone 8372 5111 and speak to Laura De Bono, Community Development Project Officer - Youth.

This consultation will be open until 5pm, Friday 2 September 2022.
