September

Venue: St Raphael's School  
- Parkside

### Mercy Day at the Monastery and last day of Term 3

Date: Friday 27 September

Venue: The Monastery -

---

## From the Principal

### The Importance of Communication in Today's Society

In an era where information flows incessantly from multiple channels, the significance of effective communication has never been more critical.

As a school community, how we convey messages and how we listen to feedback profoundly impacts our collective success and cohesion.

Communication today is a multifaceted and complex endeavour. We are inundated with emails, social media updates, instant messages, and numerous other forms of digital correspondence. While these tools have revolutionised the way we share and receive information, they also pose a unique challenge: important messages often get lost in the noise.

Recognising this challenge, we have made concerted efforts to streamline our communication processes. Our aim has been to ensure that every message reaches you clearly and efficiently, and that you have ample opportunity to provide your valuable feedback. However, despite these efforts, it seems that our current methods are not entirely meeting your needs.

Your input is crucial in refining our communication strategy. We believe that by understanding your preferences for receiving information, we can create a more effective and less overwhelming communication environment. To this end, we are seeking your feedback on your preferred communication channels.

Do you prefer receiving updates via email, or do you find instant messaging platforms more convenient?

Are social media updates sufficient for your needs, or do you prefer detailed newsletters?

Perhaps you appreciate the immediacy of text messages for urgent announcements but prefer other channels for regular updates.

Your insights on these questions will help us tailor our communication methods to better suit your needs.

Our goal is not just to disseminate information but to ensure that every member of our school community feels informed, engaged, and heard. Effective communication fosters a sense of belonging and ensures that everyone is aligned with our collective objectives.

We invite you to share your thoughts and preferences with us. Your feedback is invaluable as we strive to enhance our communication strategy. By working together, we can create a more streamlined, efficient, and responsive communication system that truly meets the needs of our school community.

Thank you for your continued support and engagement.

We look forward to hearing from you and working together to improve our communication practices.

[Link to come for the survey.](#)

Warm regards, Emma Fowler Principal

# Important Update: Postponement of SEQTA Engage Setup

Dear Families,

As we strive to enhance our communication and provide timely updates, we recently attempted to distribute welcome and set up instructions to SEQTA Engage via email.

Unfortunately, despite our best efforts, it has come to our attention that these emails have not been reaching our families. To address this issue, we have decided to postpone the setup of SEQTA Engage to next semester. This decision will allow us to ensure that everyone is comfortable using it before we use this as a platform for distributing school reports.

In the meantime, we will host an evening event where families can come together and learn how to sign up for SEQTA Engage with the support of our dedicated school team. This hands-on session will provide step-by-step guidance and answer any questions you may have. Our aim is to make the transition to SEQTA Engage as smooth and straightforward as possible. We believe that this approach will better serve our families, ensuring that everyone is well-prepared and comfortable with the new system before it goes live. Your participation and feedback are crucial to the success of this initiative.

We appreciate your patience and understanding as we work to improve our communication systems.

Thank you for your ongoing support and engagement. We look forward to seeing you at the event next term and working together to enhance our school community's communication experience.

Warm regards, Emma Fowler Principal

## Finance Update

School fees statements for outstanding amounts have been sent home with students this week. We kindly request all families to review these statements and take appropriate action.

2024 School Card applications are now available online and in paper format. While awaiting approval or assistance, we encourage families to continue contributing towards their fees. To ensure smooth operations, please keep your fee payments up to date.

If you're experiencing any difficulties with payments, don't hesitate to reach out to me (Damian Emery, Finance Officer) or Emma Fowler (Principal) to discuss your situation.

Important notice: Our school's bank details have changed as of June 26 this week. Please ensure you use the updated information for any EFT payments.

We appreciate your cooperation in maintaining timely fee payments. If you have any questions or concerns, please contact us at:

Phone: 8274 4900

Email: [accounts@raph.catholic.edu.au](mailto:accounts@raph.catholic.edu.au)

Thank you for your continued support.

Damian Emery Finance Officer

Anthony Sicari, recognised as one of Australia's 50 Best Teachers in the News Corp Best Teacher campaign.

It is with immense pride that we announce Anthony Sicari, our esteemed Assistant Principal Leader of Learning and Learning Diversity, has been recognised as one of Australia's 50 Best Teachers in the News Corp Best Teacher campaign.

This prestigious accolade celebrates Mr Sicari's unwavering dedication to educational excellence and his profound impact on countless young minds.

As a leader of our Year 6 cohort for many years, he has consistently demonstrated an exceptional commitment to addressing the diverse needs of every student with a kind and caring approach.

The quote from The Advertiser encapsulates Mr Sicari's invaluable contributions:

*"Consistently goes above and beyond for every student, tirelessly addressing their diverse needs with a kind and caring approach. His leadership in extra-curricular activities like debating and STEM has enhanced our students' educational experiences."*

Mr Sicari's inspirational, kind, and caring dedication to fostering a nurturing and enriching learning environment inspires both students and colleagues alike, making him a true embodiment of what it means to be an exceptional educator.

The Best Teacher campaign, now in its second year, recognises and honours outstanding teachers across Australia while raising their profile and acknowledging their profound influence on students and the wider community. This year, the campaign received over 1,320 nominations from peers, students, and parents, highlighting the heroic actions of some of our most humble teachers.

Please join us in congratulating Mr Sicari on this well-deserved recognition and thanking him for his exceptional service to our school community.

## From the APRIM

### St. Mary of the Cross MacKillop

Last Thursday, our entire school and our Parish Priest Fr. Tom, headed to the hall for a performance highlighting the early years of St. Mary of the Cross MacKillop. It was a very engaging and interactive play, with a number of students volunteering to take on various acting roles throughout – which they did most convincingly and quite confidently too! We all got to know the person of Mary (Australia's first Saint) and understand more about her character, perseverance, compassion and determination to make a difference.

Teachers sought feedback from students about the play, which I share with you below...

*"It was really cool, we got to meet lots of characters."* **Olivia**

*"Good, great actor and actress with lots of audience engagement."* **Renee**

*"Fun and exciting. I liked the end when Mary and her brother were in the billy cart going down the big hill."* **Keona**

Some of our Yr.3/4 class who have recently been learning about St. Mary, critiqued the play...

*"They didn't include the part where Sr. Mary got kicked out of the church by the Pope."* **Gabby**

*"The priest turned her into a Saint, but this doesn't happen until the person has died."* **Nathanael**

*"It wasn't 100% accurate."* **Julian**

It is evident that their prior learning about Mary MacKillop was meaningful and that they had been highly engaged by the play, to notice these things. I think it was quite intriguing for our students, to have had the opportunity to 'meet' Mary MacKillop in this way. Suddenly, this famous, inspiring woman seemed like a real person, not just someone in a book from the past.

### Vinnie's Winter Appeal

We have two donation bins – one just outside the new office area and a second near the drop off and pick up area. Please, if you have any warm, good-quality items of clothing you no longer need or spare rugs and sleeping bags, drop them in the collection bins. Many thanks!

On the last Friday of this term, we are having a Wear Your Winter Woollies Day – when students and staff are invited to come to school rugged up in casual clothes and bring along a can of food to donate.

Our senior students will coordinate the creation of a can line or picture under the central covered area, just for fun and to see how many cans we have donated. To make this more meaningful to the students, families may consider taking their child/children to the supermarket to select a can of food.

Vinnies recommend items such as canned vegetables, tuna, soup and meals – items that are nutritious, warming and delicious.

I will leave you with some wisdom from our own St. Mary MacKillop of the Cross...

*"Find happiness in making others happy."*

*"Believe in the whisperings of God to your own heart."*

*"Never see a need without doing something about it."*

Many blessings to you all,

Tanya Stott APRIM

## Our Wellbeing Officer

Hello! I'm Amy Pellegrini, and I'm passionate about fostering the wellbeing and growth of children.

As a Wellbeing Officer, I play a diverse role in our community, working with children and families in various capacities. I help run the

playgroup, facilitate the Out of School Hours Care (OSHC), and work within the classrooms to support students' educational and emotional needs. I'm a qualified Youth Worker and Counsellor, and I'm currently on the path to becoming a certified teacher. This journey has equipped me with a deep understanding of the challenges and rewards of working with young people.

My mission is to create a safe and nurturing environment where children can thrive, learn, and grow into compassionate individuals. One of my key projects is running a program called "What's the Buzz," which is a neuroaffirming, evidence-based, social, and emotional literacy program. This program is considered the gold standard in teaching neurotypicals and neurodivergents alike the skills to live generously within a community. "What's the Buzz" embraces the idea that everyone experiences the social and emotional world differently, and it encourages children to express their feelings and actions in their own compassionate way.

We believe that there's no one-size-fits-all approach, and we celebrate the diversity of thought and experience.

In everything I do, my focus is on promoting the wellbeing of children and helping them develop the skills they need to succeed in life. Whether it's through playgroup activities, OSHC programs, classroom support, or now through the dedicated social and emotional wellbeing programs I lead, I'm dedicated to making a positive impact on the lives of the children I work with.

I look forward to connecting with you and your family to create a supportive and inclusive community together.

Find out more about our school's offer for [Wellbeing](#) and [Inclusive Learning](#).

Amy Pellegrini Wellbeing Officer

## Our School Counsellor

Hello! I am Sarah Byrnes. I'm a qualified counsellor and have been working in schools for over five years. School counselling is about providing a safe space for a child to be able to work through emotional wellbeing issues or situations.

Counselling encompasses a range of areas such as anxiety and worries, grief and loss, low self-esteem/self-confidence, friendship/social issues, anger strategies and self-harm. I support children through these issues with a child-led approach that can include talking therapy, activity books, games, mindfulness and coping strategies. I also incorporate psychoeducation to help children understand how the brain works and the links between thoughts, feelings and behaviours. I am here to guide children in developing essential skills, like resilience, and to manage adults' expectations of their ability to bounce back from certain situations.

Parents and caregivers play the biggest role in their children's lives, so I partner with them to implement strategies for supporting their children while maintaining confidentiality. Issues can often be resolved within three to six sessions. However, if counselling isn't suitable for a child or not sufficient, I will provide referral pathways to ensure the child still receives the best outcome for their wellbeing.

When a child is happy and content most of the time, they are at an optimal level for learning and socialising.

I feel privileged when children share their thoughts and feelings with me. They would never imagine how much I learn from them.

Find out more about our school's offer for Wellbeing and Inclusive Learning.

Sarah Byrnes School Counsellor

## Triarama's from Year 3 and 4

Recently, our Year 4 students have been engaged in an exciting project that combines aspects of the Geography and Biological Sciences Curriculum.

The task at hand was to design a triarama based on a habitat of their choice, including at least one animal that inhabits it.

Through this project, our students not only showcased their design and technology skills but also deepened their understanding of ecosystems and the importance of sustainable resource management.

As part of their research, the students explored various habitats such as rainforests, deserts, oceans, and grasslands. They identified the roles of different organisms within these habitats and developed an understanding of relevant food chains.

The triarama project has been a fantastic opportunity for our class to combine learning with their interests and creativity. We are incredibly proud of their hard work and dedication.

Please check out the impressive triaramas. Each one is a testament to the students' curiosity, creativity, and commitment to learning about the world around them.

Mr Christopher Uzzell Year 3 and 4 Teacher

## P.E. Update

In Physical Education, over the course of this school term we've been hard at work developing our skills in the sports of Lacrosse and Netball.

At the commencement of the term, students in Years 3-6 engaged in learning the sport of Lacrosse. For many, this was a new and daunting prospect, however, all things led to the highly successful and fun filled day at the SACPSSA Catholic Schools Lacrosse Carnival.

As the term progressed the school has been fortunate to have Basketball experts, and high level players in Joe Jackson (Woodville

Warriors) & Alex Starling (Adelaide 36ers) support our learners. With a focus on sportsmanship, resilience and skills, students have been challenged to develop their basketball abilities with the guidance of these experts. It has been an amazing opportunity which our students have thoroughly enjoyed. We thank Joe & Alex for all the hard work and care they have shown working with each of our aspiring athletes.

As this sporting semester comes to a conclusion, I'd like to thank not only the students, but also our St Raphael's School community of families for all the support I've been given over the course of my time so far at this school.

With my final weeks in Australia before making my move to the UK racing by, I truly can't put in to words the warmth and gratitude I've felt across the school. With all the positive growth and change around the school, I'm proud to have played a part in this. I'm also grateful for the opportunities I've been provided to grow at St Raphael's School in the various roles I've worked in, and the excellent educators that I've worked alongside. I'd like to thank the staff at the school who have supported me in every step along the way, and the leadership team who have guided me at every moment.

While I'm moving now, I cannot wait to see the journey this school continues to go on. After attending the Year 1 & 2 Soccer match on the weekend, it left me inspired, that we are on a positive journey with our supportive and amazing family community, as well as the cohort of staff and students we have at St Raphael's School.

St Raphael's School truly is a unique and rare school, which I couldn't have been more grateful to be apart of these last 3 years.

Announcements of who will be working within the PE/Sports Coordinator role & Year 1 classroom will be made in due course.

Thank you again and this is not a goodbye, its a see-you-soon.

Corey Tucker P.E. Teacher

## Cake and Coffee at Book Club Playgroup

Join us in celebrating the final Book Club Playgroup of Term 2!

To show our appreciation for all the amazing adults who accompany their little ones, we are offering cake and coffee.

## Who do you need to tell about our Book Club Playgroup?

Date: July 3

Time: 9:15 - 10:30 AM

We look forward to seeing you there!

## Parents and Friends Committee News

### P&F TEAMS Meeting:

Join the Conversation!

Date: Wednesday, July 24th

Time: 6:00 PM - 6:40 PM

We invite you to join our upcoming P&F TEAMS meeting as we kick off Term 3.

This session will cover:

- Survey results: Insights and feedback from our community
- Community Fair Day: Planning for our big event on September 9th
- Parent educative session around behaviour at home
- Cookbook sales update [very tasty]
- Strategic plans for Terms 3 and 4

Your participation is valuable, and we welcome everyone to be part of the discussion.

If you'd like to join, please email Katrina at [ktucker@raph.catholic.edu.au](mailto:ktucker@raph.catholic.edu.au)

## School Cookbook for sale now!

## Discover the flavors that bring our community together!

Our cookbook is a celebration of our school's diverse culinary traditions. This 44-page collection features 24 delicious recipes and heartwarming stories from the families of St Raphael's School.

Inspired by Jesus's open table practice, this cookbook invites you to experience the inclusive spirit of our community through the universal language of food.

Get your copy for \$15 today and support this P&F fundraiser.

Proceeds will go towards enhancing our school community.

Purchase on the QRK! App or in person at the front office.
